Civia Cycles Recalls Bicycle Forks Due to Fall Hazard

The following product safety recall was voluntarily conducted by the firm in cooperation with the CPSC. Consumers should stop using the product immediately unless otherwise instructed.

Name of Product: Hyland Bicycles and Carbon Bicycle Forks

Units: About 800

Importer: Civia Cycles, of Bloomington, Minn.

Hazard: The bicycle fork can crack or break, posing a fall hazard to the consumer.

Incidents/Injuries: Civia Cycles has received two reports of forks cracking and one report of a fork breaking resulting in an abrasion on face and bruised ribs.

Description: This recall involves all Civia Hyland bicycles sold with original equipment carbon fiber forks and all Civia Carbon forks sold as aftermarket products. The forks are black and have the word "Civia" forged into the fork dropout.

Sold by: Specialty bicycle retailers nationwide from April 2008 through February 2010 for between \$1,675 and \$3,500 for Civia Hyland complete bicycles and for about \$195 for Civia Carbon forks.

Manufactured in: Taiwan

Remedy: Consumers should immediately stop riding these bicycles with the recalled forks and contact an authorized Civia Cycles dealer for a free replacement fork. All known users have been contacted.

Consumer Contact: For additional information, contact Civia Cycles toll-free at (877) 774-6208 between 8 a.m. and 6 p.m. ET Monday through Friday or visit the firm's Web site at www.civiacycles.com.

CPSC is still interested in receiving incident or injury reports that are either directly related to this product recall or involve a different hazard with the same product. Please tell us about it by visiting <https://www.cpsc.gov/cgibin/incident.aspx>.

[Send the link for this page to a friend!](#) The U.S. Consumer Product Safety Commission is charged with protecting the public from unreasonable risks of serious injury or death from thousands of types of consumer products under the agency's jurisdiction. The CPSC is committed to protecting consumers and families from products that pose a fire, electrical, chemical, or mechanical hazard. The CPSC's work to ensure the safety of consumer products - such as toys, cribs, power tools, cigarette lighters, and household chemicals - contributed significantly to the decline in the rate of deaths and injuries associated with consumer products over the past 30 years.
